**INFORMATION DISCLOSURE STATEMENT**

Mail Stop Amendment  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

October 31, 2006

Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO/SB/08b (one page).

The documents listed on the attached Form PTO/SB/08b were cited in, and include, a Notification of Transmittal, Written Opinion of the International Searching Authority and International Search Report issued for PCT Application No. PCT/US05/09261 (an application corresponding to the above-captioned application) and are being submitted prior to the three-month anniversary of the date of mailing of the International Search Report. A copy of the International Search Report with the related Notification and Written Opinion is also enclosed.

The two U.S. Patents, 6,607,907 B2 and 6,551,841 B1 cited in the International Search Report were previously filed in an Information Disclosure Statement filed on May 3, 2004.

The above information is presented so that the Patent and Trademark Office can, in the first instance, determine any materiality thereof to the claimed invention. See 37 CFR 1.104(a) and 1.106(b) concerning the PTO duty to consider and use any such information. It is respectfully requested that the information be expressly considered during the prosecution of this application.

U.S. Patent Application No. 10/808,229  
Information Disclosure Statement dated October 31, 2006

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the cited documents as prior art against any claim in this application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

It is believed that no fee is required to make this a complete and timely filing. However, if it is determined that a petition or fee is required, the Commissioner is hereby authorized to charge any fee associated with this statement to our Deposit Account No. 50-0925, and please consider this a petition.

Respectfully submitted,

Leonard D. Bowersox
